**STRUCTURE GOVERNANCE AND MANAGEMENT**

Depaul Housing Services (the Charity) is a registered charity, a company limited by guarantee and is also a Registered Provider of social housing (RP). The company was registered on 7 June 2013 under company number 08561164. The sole member of the company is Depaul UK, a charitable company.

The Board of Trustees currently consists of four members who are responsible for, and committed to, leading the Charity, agreeing the Charity's strategic and business plans and associated financial planning and budgets, and monitoring their delivery. Their particular areas of expertise include: the provision of social and supported housing; the homelessness and youth sectors; business and management; the law as it relates to housing in general and affordable housing in particular; and public sector accounting and finance.

A skills audit of Trustees is undertaken regularly to assist in identifying what skills and experience might be lacking on the Board, and this in turn influences the recruitment, selection and appointment process, as does the Board's commitment to broadening its own diversity in order to better reflect the communities it serves. Trustees are formally appointed with prior written approval from Depaul UK.

All Trustees go through a full, comprehensive induction process on appointment and relevant training is then made available throughout their period of appointment to ensure that they are able and confident to perform their duties as Trustees. This is enabled by an annual appraisal process and effectiveness review, at which development needs can be identified.

The Trustees are also responsible for ensuring that this report complies with the governance and financial viability standard and ensure that compliance with the standard is reviewed annually.

The Trustees who served during the year were:

Anthony Ian Hellawell  
Urvashi Bhagat  
Alan D'Arcy (to 15 February 2024)  
Michael Jones  
Michael McCall (from 2 December 2024)

**OBJECTIVES AND ACTIVITIES**

The charitable objects are specifically restricted to the following for the public benefit:

- to promote and advance the relief of poverty by such means as the Trustees shall in their absolute discretion determine, and in particular (without limitation) by the provision of Social Housing in England, any other purposes connected with or incidental to the provision and management of Social Housing, shelter, accommodation, training and other services to persons whom the Trustees shall deem to be in need of such provision by reason of homelessness, deprivation or social or economic circumstances ("eligible persons");
- the advancement of education including (without limitation) the provision of education and training to eligible persons;
- to provide facilities for leisure-time activities for eligible persons in the interests of social welfare so that their conditions of life may be improved; and
- to promote the efficiency and further the charitable objects of Depaul UK.

The Trustees have a strong regard for the public benefit guidance published by the Charity Commission and is in compliance with its duties under Section 17 of the Charities Act 2011.

**DEPAUL HOUSING SERVICES  
TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

The agreed strategic objectives for 2024 were:

1. We aim to provide more homes for the people that need them most
2. We aim to do the basics of social housing brilliantly
3. We will be a great partner
4. We will be a fiscally sound, well governed organisation

These objectives are part of an approved two-year strategy, with revised objectives, which came into effect in 2024. The Charity is operating at a time of high demand for accommodation provision for people who have slept rough or are at risk of doing so. The organisation was landlord to 215 tenants at the end of 2023 growing to 265 tenants at the end of 2024.

The Charity was formed in 2013 and became a registered provider in 2014. The Charity:

- owns a 14-bed property (Depaul House) in North Tyneside,
- owns a 12-bed property (St Vincent Mews) in London,
- holds a 35-year lease on a 12-bed accommodation facility (Safestop) in Manchester,
- owns 14 single occupancy flats in Middlesbrough, 4 of which were purchased in early 2025,
- leases 6 properties in London and Greater Manchester for the delivery of supported housing services for people who have slept rough or are single homeless people,
- is the registered landlord for an additional 141 units across Greater Manchester working in partnership with Caritas, CarePoint, Revolving Doors and SSG.

The Charity provides accommodation and housing management services to young people and vulnerable adults in North Tyneside, Greater Manchester, Middlesbrough and London through management agreements with Depaul UK, and partnerships with Caritas, CarePoint, Revolving Doors and SSG. These activities fully meet the Charity Commission's public benefit test.

**2024 Notable Achievements for Depaul Housing Services:**

- The Charity successfully purchased 4 homes for people experiencing rough sleeping, using Homes England funds under the Single Homeless Accommodation Programme (SHAP). This was a continuation of the SHAP grant awarded to purchase and develop 10 social housing units in Middlesbrough. The first 2 properties were purchased in 2023 and the final 4 properties were purchased in 2025 to complete the grant conditions on time and within budget.
- In partnership with the GLA (Greater London Authority) and Haringey Council, the Charity secured SHAP funding for a 12-bed supported accommodation property in London in 2023. The purchase of the property was completed in 2024, with the supported housing service opening in July of that year.
- The Charity developed new partnerships with Revolving Doors and CarePoint to broaden its scope in providing good landlord services to tenants.

**Client Focus**

The needs of the Charity's clients are at the heart of everything it does, and whilst the Charity has traditionally adopted Depaul UK's Client Involvement strategies and procedures to guide our work effectively, we used 2024 to realign our participation work more closely to the Tenant Satisfaction Standard. As such we were able to deliver the TSM questionnaire across Depaul Housing Services units and our partner led units. The results are published on our website. Whilst the results were broadly good to excellent in terms of client satisfaction across most measures, we did have one outlying measure around our handling of Anti-Social Behaviour. We will review our approach to receiving, monitoring and dealing with reports of ASB in 2025.

### **Complaints**

The management of complaints is carried out by Depaul UK on behalf of the Charity and Depaul UK has adopted The Housing Ombudsman's Complaint Handling Code as the basis of its approach to complaints to ensure compliance with the code on behalf of Depaul Housing Services.

Complaints are monitored and reported upon quarterly to the DHS Board and Depaul UK's Services and Business Development Committee. The Quality and Compliance Manager is the Complaints Officer for Depaul UK and is responsible for the implementation of the Complaints Policy. Trustee Michael McCall is the responsible Board Member for Complaints monitoring.

In 2025 Depaul Housing Services are making further improvements to its complaints handling. This includes having a named Trustee and Director with joint responsibility for complaints monitoring to improve accountability, working with partner organisations and managing agents to review the quality and compliance of their complaint handling, and improved reporting systems and processes to help us better understand and monitor performance.

In the 2023-24 regulatory reporting year, Depaul Housing Services received the equivalent of 68 complaints per 1000 units (15 actual). All were resolved at stage 1 but only 40% were resolved in the Housing Ombudsman's timeframe. This is a key improvement measure for the charity.

### **Our Values**

The Charity has adopted the Depaul Group's Vision, that everyone should have a place to call home and a stake in their community. This work is guided by the Vincentian Values, and these are the basis for everything the Charity does.

The Vincentian Values are that:

- We celebrate the potential of people,
- We put our words into action,
- We take a wider role in civil society; and
- We believe in rights and responsibilities.

### **Governance**

The Charity is constituted under a Memorandum and Articles of Association dated 7 June 2013. The Board re-adopted the National Housing Federation's Code of Governance (2020) in February 2025 and the National Housing Federation's Code of Conduct 2020 in December 2022.

Following the readoption of the Code of Governance (2020) in February 2025, an in-depth review of compliance against the code will take place in the second half of 2025. This is in line with parent company Depaul UK and Depaul International's review and audit cycle. We strive for continuous improvement in governance standards and quality, and recognise that the charity has significantly grown since the previous in-depth review was undertaken in 2021. The review will be monitored at Board meetings. An Annual Governance Schedule is agreed and adopted by the Board every February.

The previous review against the 2020 Code identified a small number of areas of non-compliance, which can be explained as follows:

- The Charity's Constitution conflicts with the Code regarding the number of Trustees that should sit on the Board, and therefore the Constitution takes precedence in this area.
- There are areas where compliance is not applicable because there are no shareholders nor paid members of staff, and Trustees receive no remuneration. The processes that might normally be managed by paid employees (e.g. Trustee recruitment and induction, management

of systems relating to internal controls and the audit process) are controlled by the Group Parent, Depaul UK, and there is an Intra Group Agreement and Service Level Agreement between the Parent and the Charity that formalises this arrangement.

- In previous years the Board of the Charity adopted all of Depaul UK's policies and procedures. However after a review in 2024 of the Regulators required policies, the Board have moved to approving Depaul Housing Services specific policies and procedures in specific areas of social housing regulated activity and operations.
- The remaining instances are primarily considered to be matters of continuous improvement which are being actioned within a specified timescale (i.e. increasing the focus on carbon neutrality; reviewing the Memorandum and Articles of Association and Terms of Reference to ensure the inclusion in the most appropriate document re specific responsibilities and principles of reappointment and tenure; and EDI objective and target setting that is specific to the Charity).

The Board reviewed the Charity's compliance with the Governance and Financial Viability Standard in May 2025. There are currently no areas of non-compliance with the standard, but formal stress testing processes are under review to ensure that they reflect the Charity's recent growth.

The Depaul UK Strategies, Policies and Procedures adopted by the Charity include Health and Safety, Equity, Diversity and Inclusion, Risk Management and Safeguarding Children and Adults at risk; Environmental impact; Client involvement and feedback; However increasingly the Board are approving Depaul Housing Services specific policies where their regulatory responsibilities differ from Depaul UK. These currently include Occupancy charge setting (including the Rent Standard), Asbestos, Damp and Mould with further policies in development.

A high standard of parent/subsidiary governance is enabled by biannual meetings of the Chairs and CEO of both Charities, together with the Charity's Lead Officer. At these meetings, risks and opportunities are discussed and information shared. The responsibilities of the parent and subsidiary are also set out in summary documents which have been reviewed and approved by both Boards.

### **Equity, Diversity and Inclusion (EDI) and the Public Sector Equality Duty**

In partnership with Depaul UK, the Charity is committed to advancing Equity, Diversity and Inclusion (EDI) in line with the principles of the Equality Act 2010 and the Public Sector Equality Duty. Together, we aim to:

- Eliminate discrimination, harassment, victimisation, and any other conduct prohibited under the Equality Act 2010.
- Advance equity of opportunity between individuals who share protected characteristics and those who do not.
- Foster positive relationships between people from different backgrounds and with different lived experiences.

We are dedicated to becoming a truly diverse and inclusive organisation. Both Depaul UK and the Charity hold themselves to the highest standards, guided by legal frameworks and best practice in EDI. Our commitment goes beyond legal compliance. We actively embrace the value that equity, diversity and inclusion bring—to our staff, our clients and tenants, and to how we fulfil our mission. Depaul UK is proud to hold the Investors in Diversity Silver Award and has implemented a comprehensive, organisation-wide action plan to ensure EDI remains central to everything we do

### **OPERATING AND FINANCIAL REVIEW**

---

**DEPAUL HOUSING SERVICES  
TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**Financial Performance**

The Statement of Comprehensive Income on page 16 shows that the turnover for the year is £1,057k (2023: £858k) and operating costs for the year is £1,003k (2023: £814k). The surplus for the year is £11k (2023: £41k), resulting in total reserves of £601k (2023: £590k).

The increase to income and expenditure reflects the additional projects taken on in 2024. During the year, the Charity entered into new leases for several properties in London and Manchester for the delivery of supported housing services. Depaul UK manages two of these projects, the others are managed by external partners - Revolving Doors and Carepoint. A 12-bed property was also purchased in the year and is managed by Depaul UK. These additional arrangements have resulted in lease costs increasing by £165k to £877k this year (2023: £712k), and similarly, rental income increasing by £218k to £904k this year (2023: £686k).

Expenditure in the year included loan interest relating to Depaul House which was acquired from Depaul UK in 2014 at the valuation of £150,000. The Charity entered into a Loan Agreement with Depaul UK in 2015 and the loan of £150,000 is scheduled to be repaid over 30 years with interest chargeable at 2% above Base Rate. The loan is secured by Depaul UK on the property. The Charity also entered in a new CAF bank loan in June 2024 is scheduled to be repaid over 25 years with chargeable at 2% above Base Rate. The loan is secured on St Vincent Mews, the 12-bed London property purchased in 2024.

**Internal Control Assurance and Risk**

The Trustees acknowledge their overall responsibility for establishing and maintaining the whole system of internal control and for reviewing its effectiveness.

The system of internal control is designed to manage, rather than eliminate, the risk of failure to achieve business objectives, and to provide reasonable, and not absolute, assurance against material misstatement or loss.

The process for identifying, evaluating and managing the significant risks faced by the Charity is ongoing and has been in place throughout the period commencing 1 January 2024 up to the date of approval of the annual report and financial statements.

Key elements of the control framework include:

- clearly defined management responsibilities for the identification, evaluation and control of significant risks;
- robust strategic and business planning processes, with detailed financial budgets and forecasts;
- review of the Charity's risks by the Board of Trustees at each meeting;
- established authorisation and appraisal procedures for all significant new initiatives and commitments;
- appraisal of major development projects by the Board of Trustees; and
- regular reporting to the Board of Trustees of key business objectives, targets and outcomes.

During 2024, the Trustees have given due consideration to the major risks that the Charity is exposed to and were satisfied that the control measures in place to manage those risks were appropriate. In addition, risks shared by the Charity and its parent company were reviewed at the bi-annual Chairs meetings.

The headline risks which have a significant impact, and/or carry a high likelihood of occurring include:

DEPAUL HOUSING SERVICES  
TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2024

---

- **Data Protection, IT systems and Cyber Security**

This risk relates to the potential for IT systems failure at Depaul UK which could lead to a loss of data, and financial issues such as rent collection. The increased dependency in the use of ICT based technology during the pandemic has also seen a global acknowledgement of the increase and potential of cyber-crime. This risk links directly to compliance with GDPR and our Data Protection Act obligations.

Mitigating interventions\*: the Charity does not collect, hold or store any personal data for tenants or suppliers and does not employ any staff directly but is dependent upon Depaul UK to do so on its behalf. Therefore, this risk is significantly mitigated. Depaul UK mitigates the risk by reviewing the Data Protection Policy and Procedures; achieving Cyber-essentials quality accreditation; appointing a Protection Lead who is also a qualified Data Protection Practitioner; ongoing registration with the Information Commissioners Office; undertaking regular potential data breach reviews and reporting upon these to the Finance, Audit and Risk Committee; continuing to take legal and expert advice for complex enquiries; providing staff with training materials to assist them in advancing their digital capacity and capability.

One attempted cyber-attack was experienced by Depaul Housing Services in 2024. The “Man in the Middle” attack used an external email address to infiltrate and amend email addresses of both a trustee and an officer of Depaul Housing Services. The attack was identified quickly (within 24 hours), did not relate to any confidential dealings and did not lead to any loss by the organisation. The email system for Depaul UK and Housing Services was immediately checked and made safe and the same was undertaken for the Trustee by their host organisation. An investigation of the incident made some recommendations for improving safety further, though the attack was described as sophisticated, it would ultimately not have infiltrated the protections in place between us and our legal and financial service providers.

- **Health and Safety**

As a social housing provider, the Charity is responsible for complying with its statutory duties and maintaining and implementing a comprehensive suite of health and safety policies and procedures. Failing to do so risks exposing clients to injury, illness or death.

Mitigating interventions\*: Risks are transferred to managing agents through management agreements; Health and Safety Policies and Procedures are in place and delivery is monitored and reported on a regular basis; all property is insured. We have a detailed asset register which covers all areas of statutory Health and Safety compliance and performance and is reviewed by our Trustees quarterly. Health and Safety compliance, reporting and performance is recorded on our In-Form system which provides visibility on compliance to the officers of the Charity at all times. The Charity's officers stay abreast of health and safety developments through a range of methods including membership of relevant organisations.

- **Compliance with new regulatory standards**

The Charity is subject to a range of regulated and quality frameworks including the Regulator of Social Housing, The Housing Ombudsman, OFSTED and the Charity Commission. Depaul UK was required to register with OFSTED (completed in March 2025) and ensure compliance with the Regulatory standards for supported accommodation for 16/17 year old care experienced children. As many of our in-scope children live in Depaul Housing Services properties the charity must ensure it meets the accommodation standards required. In addition to this we have recently responded the government's consultation on the Supported Housing Regulatory Oversight Act 2023 licencing standards. We are yet to assess the impact of this on Depaul Housing Services activities. This risk is regarding the Charity's activities and it meeting and complying with the standards.

Mitigating interventions\*: Depaul UK lead officers and service sites have been interviewed and visited, and compliance with the standards assessed as meeting the threshold for registration. Systems and procedures are in place to ensure OFSTED readiness. Practice runs and inspections are being

DEPAUL HOUSING SERVICES  
**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2024**

---

undertaken ahead of a likely inspection in 2026. OFSTED is a standing item for the Depaul UK services committee, and an OFSTED experienced Trustee will be recruited. This work is coordinated and delivered by Depaul UK on behalf of the Charity. For the Supported Housing Regulatory Standards we are part of a sector group of organisations coordinating responses on the proposals.

- **Development Programme**

Government programmes such as the Single Homeless Accommodation Programme (SHAP) enable organisations such as the Charity access to capital and revenue funding for the purchase and development of properties for the provision of social housing. If the Charity enters into a property development programme, it needs to ensure that it is strategically, financially and operationally viable, or it risks being unable to fulfil its obligations to tenants, being able to comply with regulatory requirements and/or meet financial commitments.

Mitigating interventions: All development opportunities undergo an initial feasibility review; all individual development projects undergo appropriate due diligence and risk management reviews. Project reports are submitted to the Board quarterly or more frequently if necessary.

### **The role of the Regulator of Social Housing**

As a social housing provider, the Charity is required by the Regulator of Social Housing to ensure it is delivering the right service, in the right way, at the right cost.

Regulatory standards contain specific expectations and the outcomes that providers are expected to achieve. Providers' boards and local authority councillors who govern service delivery are responsible for meeting the relevant standards and determining how this is done.

The standards are classified as either 'economic' or 'consumer'.

### **Economic standards**

The Regulator of Social Housing proactively seeks assurance from providers that they are meeting its economic standards. These apply to all registered providers except for local authorities because the regulator has no power to set economic standards for local authorities (except rents).

The three economic standards are:

- Governance and Financial Viability Standard;
- Value for Money Standard;
- Rent Standard.

### **Consumer standards**

The Regulator of Social Housing also sets consumer standards, and its role is to intervene where failure to meet the standards has caused, or could have caused, serious harm to tenants. These apply to all registered providers including local authorities.

The four consumer standards are:

- Home Standard;
- Tenancy Standard;
- Neighbourhood and Community Standard;
- Tenant Involvement and Empowerment Standard.

(taken from <https://www.gov.uk/guidance/regulatory-standards>).

**DEPAUL HOUSING SERVICES  
TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2024**

**The Value for Money Standard and Depaul Housing Services**

The Charity works to a Value for Money (VFM) strategy developed using the guidance and standards set by the Regulator of Social Housing. Work in this area has continued throughout 2024. A key part of VFM is achieving good performance figures on rent collection, arrears and low empty night rates.

At the end of 2024, 89% (2023: 90%) of rent due was collected, the percentage of empty room nights was 9% (2023: 9%), and current rent arrears were 8%(2023: 8%). These were good performance indicators within set targets.

Our VFM strategy includes a statement (below) on how we intend to achieve VFM and how this operates within our strategic objectives.

**Value For Money statement**

To ensure full compliance, the Charity has established procedures to assess, in all its activities, whether it is:

1. Purchasing resources in the right quantity and at the right price (Economy)
2. Obtaining the maximum output from our resource input (Efficiency)
3. Assessing the implications of our actual performance in relation to our target (Effectiveness)
4. Distributing our resources fairly (Equity)

The VFM indicators given in the Regulator's Guidance are in brackets.

There is also a wider requirement set by the Accounting Direction for Registered Providers of Social Housing 2022 to report on the indicators presented in the table below, as a measure of its ongoing commitment to proving affordable good quality housing:

	2024		2023	
	DHS	Median	DHS	Median
A New Supply Delivered (Social Housing %)	19%		40%	
B New Supply Delivered (Non-Social Housing %)	0%		0%	
1. Reinvestment %	67.6%	7.7%	27.0%	6.7%
2. New Supply %	27.9%	1.7%	41.9%	1.3%
3. Gearing %	91.4%	45.6%	42.2%	45.3%
4. Earnings before Interest, Tax, Depreciation, Amortisation, Major Repairs Included (EBITDA MRI) Interest Cover %	162%	122%	2235%	128%
5. Headline Social Housing Cost per Unit (£)	£3,408	£5,136	£3,493	£4,586
6. Operating Margin %	5.6%	18.5%	5.4%	18.2%
7. Return on Capital Employed (ROCE) %	3.5%	2.8%	2.8%	2.8%

**Going Concern**

The business activities of the Charity, its current financial position and factors likely to affect its future development are set out within the Operating and Financial Review.

Taking the letter of support provided by Depaul UK for the period through to 31 December 2026 and the existing Intra-Group Agreement signed by the two Charities in June 2014 into consideration, the Trustees are satisfied that the Charity is a going concern, and the accounting policies have been prepared on that basis.

**STATEMENT OF THE RESPONSIBILITIES OF THE BOARD OF TRUSTEES FOR THE REPORT AND FINANCIAL STATEMENTS**

The Board of Trustees is responsible for preparing the Trustees' Report and financial statements in accordance with applicable law and regulations.

Legislation requires the Board of Trustees to prepare the financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards) and applicable laws. Under relevant legislation, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs and surplus or deficit of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards and the Statement of Recommended practice (SORP) for Registered Social Housing Providers update 2018, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Board of Trustees is responsible for keeping proper accounting records, which are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable it to ensure that the financial statements comply with the Companies Act 2006, the Housing and Regeneration Act 2008 and the Accounting Direction for Private Registered Providers of Social Housing 2022. It is also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as each member of the Board of Trustees is aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the Trustees have each taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The Board of Trustees are responsible for the maintenance and integrity of the corporate and financial information on the parent company's website – Depaul UK. In so far as this relates to the Charity, legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**Small Companies Regime**

This report has been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

The report of the Trustees was approved on 20 May 2025 and signed on their behalf by:

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DEPAUL HOUSING SERVICES**

---

**Opinion**

We have audited the financial statements of Depaul Housing Services for the year ended 31 December 2024 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of Depaul Housing Service's affairs as at 31 December 2024 and of its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Housing and Regeneration Act 2008 and the Accounting Direction for Private Registered Providers of Social Housing from April 2022.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of Depaul Housing Services in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on Depaul Housing Service's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The trustees are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material

---

misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of our audit

- the information given in the trustees' report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the trustees' report have been prepared in accordance with applicable legal requirements.

### Matters on which we are required to report by exception

In light of the knowledge and understanding of Depaul Housing Services and their environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 or the Housing and Regeneration Act 2008 requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the trustees' directors' report and from the requirement to prepare a strategic report.

### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 11, the trustees (who are also the directors of Depaul Housing Services for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Depaul Housing Service's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate Depaul Housing Services or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on

the basis of these financial statements.

Details of the extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations are set out below.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### **Extent to which the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which Depaul Housing Services operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Companies Act 2006, the Charities Act 2011, the Housing and Regeneration Act 2008, together with the Housing SORP. We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to Depaul Housing Services' ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within Depaul Housing Services for fraud. The laws and regulations we considered in this context for the UK operations were requirements imposed by the Regulator of Social Housing and taxation legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing of recognition of income and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the Finance, Audit and Compliance Committee about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence, designing audit procedures over the timing of income and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR TO 31 DECEMBER 2024**

**1. Accounting policies**

**1.1 Legal and company status**

Depaul Housing Services Ltd, a public benefit entity, is a charitable company limited by guarantee and also a registered social housing provider. The parent company Depaul UK is the sole member and its liability is limited to £10. The address of the registered office is 34 Decima Street, London, SE1 4QQ. The company is UK registered with information as follows:

Company Registration Number: 08561164 (England and Wales)

Charity Registration Number: 1155073 (England and Wales)

RSL Number: 4792 (Homes England Number)

**1.2 Basis of preparation of financial statements**

The financial statements of the Charity are prepared in accordance with UK Generally Accepted Accounting Practice (UK GAAP) including Financial Reporting Standard 102 (FRS 102) and the Housing SORP 2018: Statement of Recommended Practice for Registered Social Housing Providers and comply with the Accounting Direction for Private Registered Providers of Social Housing 2022, applicable accounting standards and the Companies Act 2006. The Board of Trustees is satisfied that the current accounting policies are the most appropriate for Depaul Housing Services.

**1.3 Accounting for funds**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the Charity for particular purposes.

**1.4 Income**

All income is included in the Statement of Comprehensive Income when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Rental income is recognised at the gross level, net of rent losses from voids.

**1.5 Expenditure**

All expenditure is accounted for on an accruals basis.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR TO 31 DECEMBER 2024**

---

**1.6 Tangible fixed assets and depreciation**

All assets costing more than £1,000, either singly or as a group, are capitalised

Tangible fixed assets are stated at cost or their value at the time of donation, less depreciation. Depreciation is provided at rates calculated to write off the cost, or their value at the time of donation, of fixed assets, less their estimated residual value, over their expected useful lives.

The Charity separately identifies the major components which comprise its housing properties and charges depreciation so as to write down the cost of each component to its estimated residual value, on a straight line basis, over its estimated useful life.

The organisation has adopted the following depreciation policy:

- Structure – over 50 years
- Kitchens – over 10 years
- Bathrooms – over 10 years
- Boiler – over 15 years
- Roof – over 30 years
- Fixtures and Fittings – over 5 years
- Leasehold improvements- over the life of the lease, up to a maximum of 50 years

Freehold land is not depreciated.

Properties held on leases are amortised over the life of the leases or their estimated useful economic lives in the business, if shorter.

**1.7 Financial instruments**

Financial instruments which meet the criteria of a basic financial instrument as defined in Section 11 of FRS102 are accounted for under an amortised historical cost model.

Non-basic financial instruments are recognised at fair value using a valuation technique with any gains or losses being reported in surplus or deficit. Depaul Housing Services has no non-basic financial instruments at the year end.

**1.8 Significant management judgements**

In the view of the Trustees, the useful economic lives of depreciable assets, specifically the Charity's property, and the dilapidations provisions for leased properties represent the most significant management judgement with the greatest impact on the financial statements.

**1.9 Government and other grants**

Social Housing Grant (SHG) is receivable from Homes England (HE) and is recognised in income over the expected useful life of the housing property structure and components under the accruals model. SHG due from HE or received in advance is included as a current asset or liability. SHG received in respect of revenue expenditure is credited to the income and expenditure account in the same period as the expenditure to which it relates.

**1.10 Going concern**

The Charity continues to operate on a going concern basis. The business activities of the Charity, its current financial position and factors likely to affect its future development are set out within the Operating and Financial Review.

Having considered current forecasts and budgets and letter of support provided by Depaul UK for the period through to 31 December 2025, the directors are satisfied that the Charity is a going concern and the financial statements have been prepared on that basis.

**1.11 Statement of cash flows**

As the results of the Charity are consolidated into its ultimate parent entity's financial statements, Depaul International, the Charity has taken the exemption from preparing a statement of cash flows.

**3. Fixed assets**

The Charity acquired Depaul House from Depaul UK during 2014 at the valuation of £150,000. The Charity entered into a Loan Agreement with Depaul UK and the loan of £150,000 is scheduled to be repaid over 30 years with interest chargeable at 2% above Base Rate. The loan is secured by Depaul on the property. In 2024 the Charity also entered into a CAF Bank loan of £1m scheduled to be repaid in 25 years with interest chargeable at 2% above Base Rate.

The Charity received a capital grant from HE for the refurbishment of Depaul House. The project was completed in April 2015 and a total of £630,316 was capitalised on the renovation and accounted for in the Statement of Financial Position.

A further capital grant for £312k was awarded by HE in 2020 to contribute towards the refurbishment project at Manchester Safestop, completed in November 2020. A total of £690k was capitalised and £378k was funded by a grant from Depaul UK.

During 2023, the Charity received capital grants from HE for the purchase of 6 properties in Middlesbrough. Grants totalling £167k were received towards the purchase of 4 flats under the Rough Sleeping Accommodation Programme (RSAP).

In 2024 the Charity received a grant of £2.2m from the Greater London Authority (GLA) for the purchase of St Vincent Mews through SHAP. It also received grant totalling £211k from HE for the purchase of 2 flats under the Single Homeless Accommodation Programme (SHAP) at the end of 2023 and for 4 more SHAP properties in Middlesbrough purchased in 2024 .

**4. Units managed by agencies**

At the end of the year, the Charity had 265 units (2023: 215) that were managed on its behalf, by agencies. All units relate to the provision of supported housing. Where the agency carries the financial risk, the Charity's income and expenditure account included only the income and expenditure for which it retains responsibility.

During the year, the Charity owned one new property in London with 12 units and acquired 4 single-unit properties in Middlesbrough, which are managed by Depaul UK to deliver supported housing services for rough sleepers and single homeless individuals.

The Charity also developed a new partnership with CarePoint and Revolving Doors for 4 and 44 units to provide accommodation and support to homeless people in the Greater Manchester area.
